VISION STATEMENT

I am a web designer and developer who draws inspiration from Japanese culture and the world around me.

WORK EXPERIENCE

Carthage College Web Development Office - Intern
Nov. 2008 - current

Worked with CSS, HTML, jQuery and cold fusion code. Applied knowledge to design new web layout to school website and help improve functionality of pages. Handeled images and resizing, text content, and content management systems, such as wordpress, and newsletter email services.

Carthage College - Sodexho Caterer
Feb. 2008 - June 2008 ; Aug. 2008 - March 2009

Worked on ollege campus as a caterer. Built customer relationships and managed catering process through serving formal buffets and dinners, and pick-ups and deliveries for the school's different gatherings.

Culvers in Mt. Prospect, IL - Culver's Team Member
March 2007 - Aug. 2007 ; June 2008 - Aug. 2008

Skilled server, handeled money, set food on trays, and made creative custard creations. Built customer relations and gained better understanding of health regulations.
